We are looking for a Working Group Leader Sustainability – Volunteer Role

Are you passionate about making **business travel in Europe more sustainable** – and ready to turn ambition into action?

BT4Europe, the European network of business travel associations, is looking for an experienced and committed professional to lead our **Working Group Sustainability**.

Your Mission

Sustainability is one of the defining challenges for the future of business travel. It is one of the top priorities for BT4Europe. As **Leader of the BT4Europe Working Group Sustainability**, you will bring together volunteer experts from across Europe to identify priorities, develop positions and help drive the sustainability agenda of the European business travel community.

Your goal: to make European business travel greener, and to make BT4Europe a strong and credible voice on sustainable business travel in Europe.

Your Responsibilities

- Lead and further develop the **BT4Europe Working Group Sustainability**
- Define priorities and an annual agenda together with Working Group members. Today the group consists of 5 volunteers, all experts in business travel.
- Bring together priorities, expertise and best practices from BT4Europe's national member associations
- Identify key developments and emerging issues around **sustainable business travel**
- Make our voice heard: develop recommendations, positions and content vis-à-vis the European Union (Parliament, Commission, Council)
- Represent BT4Europe to relevant press
- Initiate relevant research, papers, webinars and other activities
- Represent the Working Group internally and, where appropriate, externally e.g. in Brussels
- Collaborate closely within BT4Europe and our member associations

What You Bring

You have professional experience in **business travel, mobility, corporate travel, sustainability, ESG or a related field** and a good understanding of the challenges companies face in making business travel more sustainable.

You enjoy bringing people and different perspectives together, can turn complex topics into clear priorities and are comfortable working in an international environment. You are comfortable to communicate in English language.

Realistically, the role will need a few hours/week from you. Most of the meetings and consultations will be virtually with some limited travel to Brussels and to our AGM.

Most importantly, you are motivated to **make a difference at European level**.

What We Offer

This is a **volunteer leadership position** offering the opportunity to:

- Shape the European debate around sustainable business travel
- Build relationships with leading experts and business travel associations across Europe
- Increase your visibility within the European business travel community
- Contribute to concrete initiatives with European relevance
- Be part of BT4Europe's mission to give business travel a strong and united voice in Europe

Interested?

If you would like to help shape the future of **sustainable business travel in Europe**, we would love to hear from you.

Please contact us and/or send us a short message explaining your interest and relevant experience. Our chairperson, Patrick W. Diemer, can be contacted via patrickdiemer@bt4europe.com
